Masks

Effective March 7, 2022 the wearing of a procedural mask will be mandatory for grades 1 to 6 students in common areas and on school transportation.

Students can take off masks in class when seated.

Masks must still be worn when circulating in the school, in the bus, during physical education and daycare.

Preschoolers do not have to wear masks in class or in school common areas, but those that take the bus must have a mask on in the bus.

Students do not have to wear masks in the lunchroom but as soon as they get up and start circulating masks must be worn.

Therefore, we will continue to issue two masks per student daily (one to come into the school and one to change after lunch).

PROGRESS REPORT 2
