Michelle Johnson (Community Representative)

Meetings

Regular meeting: 4
Virtual: 2

Our Mission

St. Gabriel School is a true community school which cherishes heritage while embracing diversity. Staff, parents, volunteers, and community personnel work together, to guarantee that all children succeed in life and develop to the best of their abilities in a safe, secure, and respectful environment. We believe in offering a variety of activities in order to meet our students' academic and social needs. We believe that incorporating the Fine Arts into our education program helps create a lifelong learning experience. Our goal is for every student to experience music, both instrumental and vocal, to express themselves through the performing arts (drama) and to embrace the visual arts in their daily schedules for a holistic educational program.

Our Vision

Our vision is to instill an intricate sense of self-motivation through realizing the importance and value of education. We aim to create a general feeling of respect – self-respect, respect of others, and respect of property. We want to work cooperatively and in collaboration with the parents/guardians of our students. We want to encourage an appreciation for books to help foster and develop literacy skills. We want to have a greater involvement with the visual and performing arts to develop a holistic approach to learning. We seek in this approach to motivate the students by embracing the Fine Arts and giving them an opportunity to become more socially aware of their environment and the world.

This past school Year has been a challenging one due to the COVID-19 Pandemic.’ Schools were closed as of March 13, 2020. Schools were originally in lockdown for about 4 weeks and then communication with students was allowed. The month of May and June saw on-line/distance learning. St. Gabriel School staff was well prepared for virtual learning with about 95% of our student population receiving on-line education.

Our Directions for Success:

Orientation 1- Building all literacy competencies

Goal

Students in Cycle I, Cycle II, and Cycle III will continue to develop new strategies for reading and writing.

Current Status

Home Reading Program

A home reading program was adopted in all grades and involved both parent and student.

Share the Warmth Afterschool Tutoring Program

Was initiated in Cycle III at St. Gabriel School to help support students with their homework needs.

Benchmark Evaluations/GB+

Benchmarking in English and GB+ in French allowed teachers to assess a student’s level of learning.

Wilson/Foundations Program

A literacy program was introduced in Grades 1-3 to better help students with literacy difficulties and establish strategies for greater success.

Resource

A resource teacher(s) provided assistance with the Cycle I, II, III Literacy Programs, while a second resource teacher helped students with the Cycle I, II, III French program.

Literacy/Reading Week

Literacy Week featured numerous events to help celebrate literacy and promote a love of reading including a Scholastic Book Fair and storytelling.

Francophile Week

Celebrated the French language and culture

Psychologist

English Montreal School Board supplies services to all our students for evaluation of their academic and emotional needs.

Speech and Language Pathologist

The staff and parents were shown how to work on speech activities with our students. Students not only worked with speech activities at school but were given exercises to do at home with their families.

Occupational Therapist

The Occupational Therapist worked with students in Pre-School and Cycles I to III to help develop strategies according to their specific needs.

Storytelling - Cancelled due to Lockdown

Grade 6 students were involved in the English Montreal School Board Competition.

Science Fair - Cancelled due to Lockdown

Cycle III students were involved in learning about science through numerous presentations and experiments.

Indigo Grant

St. Gabriel School won a grant from Indigo for \$30 000. This prize money will help enhance our library and classroom book needs. One third of the funds were spent in upgrading classroom mini libraries and our main library. The rest of the funds will be used in the next 2 school years

Orientation 2 - Development of Personal and Social Competencies

Goal

Students develop respect for self, others and property.

Current Status

Friendship Week

Students were involved in activities to help sensitize everyone to a safe and healthy school life. Activities focus on empathy and mutual respect.

Kindergarten Preparedness Day

This year the new Pre-Kindergarten and Kindergarten were introduced to the school via drive-by on June 20, 2020. All students received two bags of goodies for preparation during the summer and information about the school.

Girls Club

A unique opportunity for girls in Cycle II to meet and discuss personal and social issues affecting girls today.

Project T.E.A.M.

The goal of this extra-curricular program is to help promote healthy, active lifestyles to young boys and highlight the importance of fair play, sportsmanship, teamwork and inclusion when playing sports and games.

Team Sports

Students in Cycle I, II and III demonstrated good personal and social skills by working together in team sports. Students participated in an inner-city basketball tournament. The soccer tournament and Halo race were cancelled due to the pandemic.

Irish dancing

Under the direction of Bernadette Short, students from Cycle I - III participated in Irish Dancing lessons. These students performed at various school functions and entered a competition (feis) with winning results.

McGill Heart of the City Piano Program

Students were involved in learning to play the piano. This activity was primarily aimed at Cycle I, II and III students. Volunteer teachers from McGill University gave lessons once a week and monitored daily practice sessions.

St. Gabriel Youth Choir

Singing voices from Grades 1-6 came together to form St. Gabriel's Youth Choir, beginners and advanced, under the direction of Catherine Trainor and our very own John Dodge.

Lunch Hour Sports

A teacher taught students in Cycle II and III about the importance of teamwork and learning new skills.

Robotics

Students worked on projects in science and French using LEGO Robotics equipment for a designed task. Youth Fusion leaders organized students for FIRST LEGO Competitions. ***Did not participate at finals due to lockdown***

Entrepreneurship

With the guidance of Katherine Childs and teachers all classes were involved in Entrepreneurship projects in knitting, jewelry making, tile art and many other projects.

Yoga

A yoga specialist worked with students in Kindergarten and Grade 5 for wellness and mindfulness, helping to bring balance to the body and mind.

Music Therapists

Concordia University partnered with St. Gabriel School for in-school sessions to help some of our students by using Music as a therapeutic means.

Dynamix

The Dynamix organization guided our students in team building activities through character building workshops.

Extra-Curricular field trips

Students from Pre-Kindergarten to Cycle III participated in field trips aimed at fostering positive relationships between the students. Trips included visits to Montreal Museum of Fine Arts, Apple Picking, McCord Museum, Botanical Gardens as well as numerous theatrical productions. More activities were scheduled but due to lockdown they were cancelled.

Graduation Trip

Grade 5 and 6 students attended a two day team building fall camp and were involved in numerous outdoor activities. Two days in the spring were planned for our graduates but were cancelled due to the pandemic.

Concerts

All students participated in one of our two yearly school concerts. Our December Concert was aimed towards various musical repertoires. The June celebration was cancelled due to the pandemic.

Encore!Sistema

An afterschool music program focused on teaching students the violin and cello, while encouraging social interaction for social change.

Oasis

This indoor garden, is reflected by a serene park environment for students to relax in and reflect upon their actions. The Oasis also serves as a place for storytelling and peer reading.

Heritage Week

This event packed week celebrates cultural diversity, tolerance and knowledge. It presents the students with the opportunity to embrace the world around them as they learn about other countries and cultures

St. Gabriel School on YouTube

Short snippets depicting the life and beat of the school as well as all the wonderful learning which takes place at our school can be viewed on YouTube.

Earth Day Activities – cancelled due to lockdown

Gave the students the opportunity to embrace environmental issues and concentrate on recycling.

Field Day- cancelled due to lockdown

This event is organized by our teachers and the YMCA. Parents are invited to participate by encouraging their children in these fun outdoor events.

Peace by Peace

Through the tutelage of McGill University, our Grade 5 students explored International Issues in Human Rights.

Transition Programs- cancelled due to lockdown

Grade 6 students participated in this program through the YMCA, to help better prepare them for High School.

Sex Health Education

Limited sex and Health Education was taught due to the lockdown because of the Pandemic.

Pathways

A community program established to buddy students with mentors throughout High School for greater student success.

Geordie Production and other Theatrical Productions

Numerous theatrical productions gave students the opportunity to experience the Performing Arts.

Swim to Survive- cancelled due to lockdown

Cycle II Year 1 students took part in three one hour sessions to learn basic techniques in swimming for water safety in the future.

St. Gabriel Nature's Way Urban Recreational Area

The beautification Project initiated at the end of the 2014-2015 school year has seen the senior yard transformed into a green space with an ambiance of an outdoor park and playground for all students to enjoy.

Bee Keeping

An area in the Urban Recreational Park was designated for Beekeeping in association with the Alvéole organization. Students were taught about this natural process and the honey will be harvested for our school. 16 kilos of honey were harvested.

Fine Arts Week - cancelled due to lockdown

The Art teacher kept contact with students through various virtual art activities during the lockdown via zoom.

Volunteerism

Our students participated in many activities, giving their time to many worthy causes such as the Terry Fox Run, WE, Toy Tea and the St. Gabriel Parish Food Basket collection to name a few.

Generation Foundation Holiday Giving

All students were involved in the holiday spirit of light. Through the generosity and good will of the Generations Foundation everyone participated with great happiness.

Orientation 3 - Enhancing Parental Involvement

Goal

To develop strategies to increase parental involvement in the school and establish better lines of communication with the parents.

Current Status

Daycare

The St. Gabriel School Daycare Program provides activities for students including Recycling, Gardening and other various sports activities, keeping them physically active.

Home & School Association

A Home & School Association is very active in our school, donating their time and collecting funds for school activities and equipment. Parents bake and help to fundraise for the school. A great number of parents attended our Bistro Spaghetti Dinner this year, sponsored by our Home and School Organization.

P.P.O.

The Parents Participation Committee was very active in organizing fund raising activities such as a Halloween Haunted House Night and BBQ. The winter holiday was celebrated with a Photo Booth activity for all the children. Bingo Night was (cancelled)

Parent Volunteers

Parents have commented that our school is very warm and inviting. They always feel welcome when entering our school for various reasons and/or functions.

Monthly Newsletter, St. Gabriel Website, Facebook, Tweeter and Mass Communication (Messenger)

Parents are informed on a regular basis of all school events and activities through these Media Sites/Links.

Action Gardien-Informel

A neighbourhood service involved in bringing the school and the community together.

Clinique Communautaire

The Clinique Communautaire is instrumental in supplying social services to the school such as a social worker, nurse and dental hygienist.

Share the Warmth

Liaisons continue with our community Share the Warmth Foundation.

St. Columba House

An afterschool program partnership with St. Gabriel School.

YMCA Partnership

An afterschool program partnership with St. Gabriel School. Visits highlighting our Irish Dancers entertain their seniors. The YMCA also supports our Pre-School students through a motion and movement class called Kindergym.

Generation Foundation Partnership

The Generation Foundation partners with St. Gabriel School for our hot meal program as well as other various activities throughout the year.

Open Invitations

Parents were invited to attend special activities within the school throughout the year. Such activities include Irish dancing, guest speakers, piano concerts, storytelling, school concerts and numerous theatrical productions.
